Director(s) of Human Resources

Dear Sirs and Madams,

I am writing this reference letter at the request of Shihan David D'Antonio. In my capacity as his martial art instructor I established my expertise by becoming a world champion, which the film Bloodsport is based upon. In addition to many other accomplishments that led to my becoming an adjunct faculty member of Criminal Justice Institute, St. Petersburg, Florida and whereby, I have acted as a lecturer for the NEOA, HIDTA and other multi-jurisdictional law enforcement agencies. I am acknowledged as a source contributor in the creation and implementation of Special Tactics, world-wide that includes US Navy SEAL CFC Specwar manual (K431-0097), etc.

I proudly recommend David D'Antonio for the position of martial art and defensive tactics instructor.

David D'Antonio holds several championship titles.

He has a number of strengths to offer any organization he may serve. Such as, he often exhibited excellent leadership in martial art community, volunteering to lead groups and then organizing the group's project quickly and efficiently. This attribute would serve well in the position of a profession charged with managing and teaching others.

Please, feel free to contact me if I can be of any more assistance to you.

Respectfully,

Mr. Frank W. Dux
